

Nebraska Perinatal Quality Improvement Collaborative (NPQIC) 2018 Live Webinar Series

unmc.edu/cce/npqic-webinar

These educational activities are intended for **physicians, advanced practice providers, and nurses**, specializing in family medicine, obstetrics, and neonatal care.

Wednesday, March 28 | 6-7 pm CT

Management of Pregnancy-Related Hypertensive Disorders

Hemant Satpathy, MD — Maternal-Fetal Medicine, Methodist Women's Hospital

This webinar will provide evidence-based information on the diagnosis, management, and prevention of maternal hypertensive disorders.

Monday, April 30 | 6-7 pm CT

Neonatal Encephalopathy: Identification, Management and Outcomes

Eric Peebles, MD — Assistant Professor, Division of Newborn Medicine, Department of Pediatrics, UNMC/Children's Hospital & Medical Center

This webinar will provide evidence-based guidelines for the screening and appropriate initial management of infants with hypoxic-ischemic encephalopathy (HIE).

HOW IT WORKS

- **REGISTER FOR THE LIVE WEBINAR**

There is a \$20 NON-REFUNDABLE registration fee for each webinar. PRE-REGISTRATION IS REQUIRED. Upon registration, you will receive a confirmation email that will include the unique meeting ID and information on how to join the webinar.

- **JOIN FROM YOUR COMPUTER, TABLET, OR SMARTPHONE**

Each webinar is delivered using the **Zoom Video Conferencing software** which you will need to install on your device. To join, you will need a **wired broadband or wifi internet connection** as well as a set of **speakers or headphones**.

- **COMPLETE THE EVALUATION TO CLAIM YOUR CREDIT**

To claim continuing education credit, you will have to complete the **online evaluation** using the **link provided during the webinar**. This link will be available up to 60 days after the activity.
